

St. Luke United Methodist Church

2011 Vacation Bible School Registration

July 11-July 15 - 9:00 to 11:30 am

Plans for **Vacation Bible School 2011** are underway. The theme is SonSurf, Beach Bash. The children of St Luke and their friends look forward to this week, but it takes **many volunteers** to make it happen. If you are retired, or have any free days that week, this is a great opportunity to get to know your church family better and make a difference in a child's life. You don't need to commit to every day all week. We will match your availability to our opportunities. Most importantly, keep VBS in your prayers!
